3 Strikes and you are out!

This is a reminder to all Unifor members working in a BellMTS building. The Covid survey is **mandated** to be filled out before entering the building.

If you come into work 3 times without completing the survey, your key card will be suspended and you will not be allowed to enter the building. This action could lead into discipline if not completed.

How to avoid getting your card suspended?

- 1.) Complete the survey prior to coming into work.
- 2.) If you don't get the notification; answer the questions, call manager and let them know you did not get the notification, once at work e mail Covid19 screening to inform them that you did not get the notification.
